COVENANT OF LOUHI

(Louhi series, #1)

*"You will find yourself, your real family
and things to fight for."*

Modern, Finnish urban fantasy at its best. The series combines everyday realism, the Finnish national saga of Kalevala, and medieval witch trials to form a fast-paced, exciting adventure.

Keywords:

fantasy, folklore, Finnish mythology, beasts, Kalevala, witch trials, paranormal romance, shamanism, environmentalism, photography
